

# Phōncards®

- New!** **Phōncards** combines fast-paced card games and phonics for English learners putting a fresh face on standard playing cards!
- What are “Phoncards”?** A new and unique, competitively priced, multi-game product that’s simple, lots of fun, and easy to use.  
Each pack contains two complete decks of standard playing cards with over 250 vocabulary words with matching illustrations.  
104 phonics sounds color-coded for easy recognition.
- Who can play?** Designed for ages 3 to 103
- Unique** In today’s game market only **Phōncards** can turn any traditional card game into a new and exciting learning experience!
- Benefits**
- ♠ No other game combines a complete phonics program with the added advantage of playing cards. You can play hundreds of card games and learn English at the same time.
  - ♥ Durable, high-quality materials
  - ♣ Meets all educational standards
  - ♦ Low-priced high play value in the palm of your hands!
- Credentials** Aquarius Publishing has been publishing phonics teaching materials for thirteen years, notably *The Pyramid Method Phonics Books 1 and 2*, and *Pocket Phonics*.  
Now our latest trademarked patent-pending product **Phōncards** adds a whole new dimension to learning with exciting high-impact games such as **PhonAttack, PhonCall, War, Go Fish, FOO!, Phummy and tons more!**
